

Daddy Daughter Reminders:

What to wear for the Spectacular:

Dads- White dress shirt, black dress pants and black dress shoes & a tie that matches their daughters costume

Daughters- Their dance costume (either the very last one they are in... or if they are in a dance right after daddy/daughter than that costume so there are no quick costume changes)

Rehearsals:

If the dads can pick the girls up from rehearsal at their specified time, come back stage and we will run the routine a few times so everyone is comfortable with the stage and spacing etc.

-No need to wear your dress clothes for this rehearsal

Night of show. Before the show starts- when you drop the girls off... dads come back stage we will do a last minute practice on stage

When to come back for the show: The Daddy/Daughter dance is the last dance before intermission. Come backstage about 5 routines prior to this dance. (if your daughter is in one of the last 5 dances... come back to the wings, so you can watch her and not miss the dance)

Final Note:

Dads- Take a deep breath, smile and have fun! We are so excited that you are part of this very special dance with your daughters!
