

October Newsletter 2012

Dear Parents and Students,

What a wonderful first month we had! So many students have already progressed rapidly in their classes! Over few weeks most dance classes have learned an introduction to a routine and are advancing in technique as well. We want to say **job well done** to all of our students here at Grand Jeté and Keep Up the Excellent Work!

As we return to the fall session, some classes may seem large or small. Please bear with us as we continue to place students in classes for their proper age and ability level.

Thank you for your continued support,
Miss Amanda & Faculty

We will be open...

The studio will run its regular schedule the week of all trick-or-treat nights and Halloween, we will be open for all classes.

Fundraisers...Earn \$\$ towards your account!

There will be an optional fundraiser at the front desk. Pick up your catalog at your next class. Earn up to 50% on your sales!

Please use the restroom before class

To eliminate the "Potty Train" during class please try to use the restroom before class starts. *Thank-you*

Thanks for sporting GJD Magnet/Decal on your cars! Congratulations!!

Health/Fitness Tip

Go ahead and enjoy that morning cup of coffee. Research has shown that antioxidants in tea and coffee are providing biomarkers in our blood which indicate they help to protect us from the damaging effects of oxidation. So the result is younger looking skin!

Enjoy your Cup of Joe!!!
